

# HUSTLER® TURF EQUIPMENT

## Features & Benefits

**Cut your mowing time in HALF:** Yes halve your mowing time compared with a lawn tractor, these mowers are the most productive mowers on the market, less time mowing, more time for your leisure.

**Zero turn, twin lever steer:** This is the easiest way to mow, full maneuverability around trees, edges & mowing obstacles will make mowing easy for you and leave a professional finish to your lawn.

**Comfortable:** Its like sitting in an armchair while mowing. Fully adjustable seat and arm rests. Stretch your legs out because these mowers will make your mowing time a pleasure and wont make you feel like you've been driving a tractor all day.

**Best warranty in the business:** An incredible 4 year domestic warranty. Lifetime warranty on the deck and frame. Commercial 2 year warranty. You will have peace of mind that your mower is covered by a reputable firm for a lifetime of trouble free mowing.

**Simplicity:** No unwanted confusion with lots of pedals and controls, just simple levers that control forward, reverse and park with a no hassle height control system. Making it easy for you to operate.

**The first homeowner mower built like a commercial mower:** These mowers are built to last. Constructed with welded steel that lasts for a lifetime of mowing, not made from cheap pressed steel like most other mowers that are light weights in comparison. You won't have to worry about these machines wearing out or falling apart.

**No maintenance between oil changes:** Everything on these mowers is easy access, no hidden areas like tractor mowers, half a dozen grease points makes easy work of maintaining your mower, no more unwanted, huge service & repair bills.

**Get a FREE property evaluation and a no obligation demonstration & test mow at your place, mow to your hearts content and see for yourself just how good they are.**
